August 4, 2023 (2023 – 2024 School Year)

Educators in the Dawson County School System take pride in the educational opportunities they provide your children. The staff is committed to seeking continually to improve instruction and all components of the school's educational process.

It is hoped that as a parent you will become involved in our improvement efforts as we continue to set high expectations and to monitor student achievement. You are encouraged to get to know your child's teacher and the class routines and expectations.

In compliance with the requirements of the Every Student Succeeds Act, the Dawson County School District would like to inform you that you may request information about the professional qualifications of your student's teacher(s) and/or paraprofessional(s). The following information may be requested:

Whether the student's teacher...

- has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- is teaching under emergency or provisional status through which State qualification or licensing criteria have been waived; and
- is teaching in the field of discipline of the certification of the teacher.

Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If you wish to request information concerning your child's teacher's and/or paraprofessional's qualifications, please contact Jenna Carpenter, Director of Human Resources, at [jenna.carpenter@dawson.k12.ga.us](mailto:jenna.carpenter@dawson.k12.ga.us) or at (706) 265-3246, extension 1015. You may also contact your child's principal at the number or email shown on the left. We hope that this year will be a productive one for your child.

Sincerely,

A handwritten signature in blue ink that reads "Janice Darnell".

Dr. Janice Darnell

Assistant Superintendent of Teaching & Learning
